If you choose to select a minor child as a beneficiary, the plan won't pay funds directly to minors and benefits will instead be paid to the minor's financial guardian. If you haven't created a trust or financial guardian arrangements, this may result in potential delays and additional costs. For further information, please contact an estate attorney or utilize the [Estate Planning](#) benefit, if enrolled.

The Basic Life Insurance beneficiary designations will also be used for any unvested Restricted Stock Units (RSU's).
